# We Are Oaks of Hebron

Oaks of Hebron, Inc. exists to honor and glorify our Lord Jesus Christ by providing services to persons with developmental disabilities.

## SAVE THE DATE

### FUNDRAISING EVENT ON DECEMBER 1

When you support Oaks of Hebron, you support real people living, working and interacting in their community, just like anyone else. This is reason to celebrate! At Oaks of Hebron, we are privileged to be part of our client's lives and to make a difference. We are thankful for a state that honors people with disabilities and funds our services, and we are thankful to you, our friends and supporters.

In order to continue to provide quality service, on December 1, 2020, Oaks will participate in GivingTuesday, a fundraising event. GivingTuesday is a global generosity movement unleashing the power of people and organizations to transform their communities and the world. GivingTuesday was created in 2012 as a simple idea: a day that encourages people to do good. Over the past seven years, it has grown into a global movement that inspires hundreds of millions of people to give, collaborate, and celebrate generosity.

**Because of our generous sponsors, we have a matching donation for GivingTuesday. This means that for every dollar you donate, it is matched up to \$3,000.00. This means that your \$40.00 donation becomes \$80.00, a \$60.00 donation becomes \$120.00. This is a great way for your donation to have double the impact. Mark your calendars now for December 1. More information will come out later this month. Your donation is tax deductible.**

#### IN MEMORY

It is with sadness that we report the passing of our client Terry. Terry passed from this life to the next on Saturday, October 31 from cancer. Our hearts are comforted knowing that Terry is now walking along the crystal shores with Jesus in a body free from cancer. It has been a privilege to support Terry over the years and to be with him on this leg of life's journey.

## GROWING TOGETHER

Growing Together Farm is back in operation and we have stepped up our growing! Community Support Agriculture (CSA) baskets have restarted and we are now supplying produce for Petaluma Pie Company. We are looking for more restaurants to supply produce for, so if you know of a restaurant that needs quality, organic, and locally grown produce, please send us a note. We grow to order and can supply the needs for most restaurants.

In order to keep our farmers and staff healthy, we sanitize throughout the day and follow State and local protocols.

## RECYCLING TOGETHER

Recycling Together started 2 years ago picking up CRV beverage containers throughout Sonoma County and we are happy to report that Recycling Together is expanding. **We are now available for garage clean up, taking items to thrift stores and/or the landfill (call for pricing) and we are also recycling mattresses.**

Did you know that 80% of the material in a mattress is recyclable, yet most mattresses end up in a landfill. For \$25.00, depending on location, Oaks will pick up your mattress and separate the material and recycle or reuse the material. The landfill will charge \$31.50 to dispose of your mattress and you'll have to drive it there. With Recycling Together, you'll pay less, don't have to make a trip to the landfill and you will sleep better knowing that your mattress is not in the landfill.

Call or email Laisenia "Lai" for more information.

## VICTORY GARDENS

Whether you are interested in starting a winter garden, would like to pre-order a Christmas gift or are getting ready for spring planting, orders for raised garden beds are now being taken.

Your raised garden will be a garden for victory over COVID by giving you a fun project and by producing fresh home grown vegetables to keep you healthy. Don't delay, order today!

**6 feet by 4 feet = \$90.00**

**Custom sizes = call for pricing**

**4 feet by 4 feet = \$65**

**Top Soil = call for pricing**

We used reclaimed lumber when available.
